WHO WE ARE

Accelera Hub is the IGI INVESTIMENTI GROUP incubator dedicated to startups started by experienced people, at least 10 years of experience in the specific sector, who want to embark on a renewed entrepreneurial path. Each company is followed by a dedicated Angel Investor for the entire acceleration process.

Professionals, entrepreneurs and university researchers can develop and enhance their business idea in a technical and managerial context of the highest level, where research, industry and the market interact. Furthermore, the international vocation of Accelera Hub offers our startups, entrepreneurs and companies the opportunity to immediately confront each other globally.
MISSION

Startups and Companies

Select new ideas inside and outside the Accelera Hub network to support the development and growth of innovative and promising startups and relaunch businesses.

Investments

Attract startups and entrepreneurial ideas with high growth potential in the Accelera Hub innovation network in order to enhance the business with strategic support and investments.

Network

Innovative Hub able to foster collaborations between high-tech startups, professional entrepreneurs, universities and large companies.
**WHAT WE DO**

Accelera Hub offers startups customized support programs and distinctive skills and a multidisciplinary, result-oriented cohesive team dedicated to giving strength to the first steps of the nascent startups.

It relaunches and develops the business of entrepreneurs and businesses, improving performances and realizing entrepreneurial ideas.

Our strengths are the construction of tailor-made incubation and acceleration routes and the ability to integrate, in a complementary way, into the innovation chain, working on the one hand with innovation generators and technology transfer offices and on the other hand with funds, industry and other incubators and accelerators.
TO WHO

We accelerate Small and Medium Enterprises, Freelancers and Startups.

Accelerate Hub is aimed at innovators driven by curiosity, ambition and the courage to test their skills and ideas. Developers, makers, designers, managers and experts in different sectors.

Entrepreneurs who want to grow their business within a network and seek synergies with new ideas, products and services under development.
The advisory and mentorship services we offer are always calibrated according to the needs of Startup and Companies with a tailor-made approach.
